OFF-GRID

## **Step 1:**

### **Build Your Veracruz OFF-GRID**

- Pick your floorplan
- Pick your options
- Finalize Pricing and Trade in Information (If applicable)
- Get your lead time

## **Step 2:**

### **Secure your Build Slot**

- Sign your quote of options
- Sign a purchase agreement
- Place a 10 % Non-Refundable Deposit to Order
- Your build slot is now confirmed for production

### Step 3: Build Process

- Once your build slot is confirmed from Renegade, it typically takes 3 months from the time the Veracruz starts production to delivery to IWS.
- We will give you continuous updates along the way of your Veracruz build status
- If you would like to go to the factory to see your coach being built we will be glad to arrange a factory visit.

### Step 4: Taking Delivery and Final Payment

- Once your Veracruz is at our facility, we typically take 2 weeks with the coach to run it through its paces and make sure its absolutely ready for you to take delivery.
- Once the Veracruz is delivery ready, we will work with you on the best date and time for you to come take delivery.
- If you are flying in, we will pick you up at airport and bring you to our facility.
- We would like to walk you through the coach and all options. This walkthrough takes about 8 Hours.
- During the document process, we will walk you through the IWS Advantage Package, and share all of the exclusive options that are only available to IWS customers.
- Day 1 (Evening) - We would like to take you to our RV Park and help you set up for the evening.
- Note: Many people like to ship bedding and clothing to us ahead of time if they are flying in.
- Note: If you are driving your own vehicle, we can install a tow bar on your vehicle and coach while we put you up in a hotel room for the first evening.
- Day 2 - We suggest that you come back to our facility so we can answer any questions you may have. It is our commitment to you to make sure you are 100% confident in all of your coach operations before you leave.
- If you would like to go through drivers training with us, we will spend the second day training you on driving, chassis maintenance, and coach maintenance.
- Final payment is required before the unit can depart IWS sales and before you can stay in the coach. Wire Transfer and Cash are the only accepted forms of payment for final balance due. Credit Cards, Checks, Cashier Checks or ACH payments will not be accepted.
